Re: Town of Clarkstown  
(Proposed Amendments to Wireless Telecommunications Facilities Law)

Dear Sirs/Madams:

As per the request of Leslie J. Snyder, Esq., enclosed please find a copy of the revised proposed Local Law which, as I understand, has been referred to the County Planning Department and the Town Planning Board for their comments. In addition, it is my understanding that the matter has been placed on the agenda for the June 19, 2007 Town Board hearing.

As you will observe, the latest revisions incorporate certain of the carriers' objections and concerns. However, none of these revisions should be deemed or interpreted as an admission that any of the carriers raised any valid legal objections. In addition, the Town Attorney and I, and the Town's outside wireless consultant (Michael Musso, P.E.), are available for an additional conference call with the carriers, should the carriers continue to request one.

Please do not hesitate to contact this office, or the Town Attorney's office, if you have any further questions or concerns.

Very truly yours,

Edward M. Ross
